Visiting Doctors

Sr. No.	Name	Designation	Gender
1	Dr.Devinder Sharma	Medical Officer (visiting)	Male
2	Dr. Ramandeep Kaur	Homeopathy (visiting)	Female
3	Dr.Inderjeet Sharma	Ayurveda (visiting)	Male

2. To deal with the emotional problems and difficulties faced by students in coping up with tough situations, visiting female counsellor has been appointed.

Sr. No.	Name	Designation	Gender
1	Ms. Sherrain Rattan	Psychological Counsellor (visiting)	Female

Online counselling sessions were conducted by her on weekly basis during COVID. After physical reporting of students in the Institute, many emotional, psychological, and academic challenges are being faced by the students. The visiting Psychological Counsellor is actively involved in interacting with students.

Particularly, she visited Girls Hostels to counsel the girl students to cope up the pressures

On Women's Day, 8th March, 2022, counselling session was conducted specially for girls in the Girls Hostel.

3. Separate female ward is available in the SLIET, Health Centre as day care facility for female patients.
